Disabled American Veterans (DAV) operates a fleet of vehicles around the country to provide free transportation to VA medical facilities for injured and ill veterans. The vans are driven by volunteers, and the rides are coordinated by almost 200 Hospital Service Coordinators around the country. Locally, the service area includes all cities being served by the VA Medical Centers in Richmond, Hampton, and Salem.

For more information or to schedule a ride, call the DAV Hospital Transportation Coordinator at the following Virginia Veterans Hospitals:
