With Your Help

VirginiaNavigator is a 501c3 non-profit organization that uses technology to empower and bring comfort to older adults, people with disabilities, veterans, and their caregivers and families.

The VirginiaNavigator Family of Websites helps thousands, online and in communities across Virginia. Each year, we receive 1 million+ visits to our Family of Websites where people found the resources they so critically needed.

Your generous tax-deductible donation will allow us to continue to help them and support them.

Here's what Virginians have to say about the help they received from our websites:

- *Thank you so much for your quick response. My family and I have been floundering around, not knowing what to do or where to go for help. I'm so glad I found your website! I finally feel like we're on the right track. Thank you so much for your help.*
- *It's not easy when you don't know where to start. You're already in a stressful situation and I had lots of questions. SeniorNavigator.org was really helpful.*
- *For so long people with disabilities have been 'at the back of the line.' disAbilityNavigator is a way of bringing 'our needs to the front of the line'.*
- *disAbilityNavigator is a great resource for consumers and professionals. Recently we were able to help a family member from out of state find services and resources to meet multiple needs for his aging parents and brother with autism. Through disAbilityNavigator this family was able to get their needs met quickly, while also making our job easier because all of the information was*

available on one easy to use website.

Make an Online Donation

With more individuals in need than ever before, we can't address them without your help. Help us continue to provide vital support to those struggling to find assistance in Virginia - making a difference in each life we touch. Thank you in advance for your generosity!

We use PayPal to process your donation securely. Even without a PayPal account you can donate online by providing your credit card information on their secure page. If you do have a PayPal account it expedites your donation process.

Make a Donation By Mail

Donation checks can be made payable to SeniorNavigator and mailed to the following address:

VirginiaNavigator Family of Websites
7501 Boulder View Drive, Suite 630
N. Chesterfield, VA 23225

Thank you in advance for your generosity!

Make a Donation By Phone

To make a credit card donation by phone, call 1-866-393-0957 (toll-free in Virginia) or (804)525-7728 in the Richmond area.

Thank you in advance for your generosity!

Your Privacy:

When you make a donation online (or via mail, fax or phone) we do collect donor information (i.e. name, address, gift amount, phone number, email address, date of transaction) that allows us to process and record your gift. We utilize the Secure Sockets Layer (SSL) technology to keep your personal information secure when making a donation online. SSL is the industry standard protocol for secure transactions and makes it very difficult for anyone to intercept the information that you submit to us. In addition to protecting our donors privacy and security online, we are committed to providing excellent customer service to our donors offline as well. Only authorized staff have access to our website logs and user statistics.
